<b>Total Capital and Liabilities</b>	<b>30818</b>	<b>33570</b>

- Notes:
- The financial year for the International Scattering Alliance runs with the calendar year
  - This year's accounts have entries based on Swedish accounting guidelines that cover all possible types we could consider for the Alliance. Future years may not include all entries as it is not required to report zero lines if they were zero in the previous financial year.
  - In order to separate banking cost from expenditure on alliance activities, spending on activities is given in the other expenses line
